Re: Harrington v. Purdue Pharma, L.P., Case No. 23-124, 2024 WL 3187799.

Your Honor and Chambers:

In light of the recent decision of the Supreme Court in the above reference case , and as Your Honor is aware of the scheduling of status conference pursuant to section 105 of the Bankruptcy Code to discuss setting an atmosphere of mediation.

As Your Honor is likely aware Judge Drain previously ordered several rounds of mediations in this case without formal motions, I participated in mediation order by Judge Drain, as well as the hearing

Also, I participated in the hearing before Honorable Colleen McMahon, U.S.D.J., at the United States District Court for the Southern District of New York and I have provided numerous medical records of the adverse affects of the prescribed Oxycontin to the United States District Court, Purdue Pharma Bankruptcy Appeals on November 30, 2021.

I participated in the filing of my pro se brief in the Appellate Division of the Southern District of New York, New York, as well as my Tag-along claims with the 48 States creditors and the United States Trustee Office, under Harrington v. Purdue Pharma, L.P., see as caption above.

I have participated and filed my position on the Purdue Pharma, L.P., et al., with the United States Department of Justice, Solicitor General Office, Case No. 23-A8 7.

Justice Neil Gorsuch: "said U.S. bankruptcy code does not authorize a release and injunction that, as part of a plan of reorganization under Chapter 11, effectively seek to discharge claims against a non-debtor without the consent of affected claimants".

I understand that Judge Chapman and Eric D. Green are to be appointed as joint mediators to mediate whether modifications to the Sacklers' settlements can be reached and claims against federal and state's governmental units, et al.

If I need to file any specific application(s) or forms to participate in the mediation I'll appreciate if you have staff to send the necessary application and information to proceed in the bankruptcy process of mediation.

Thanks!

I, Ronald Bass and all the collective creditors “the states” and Pro se claimants and the District of Columbia (collectively, the States) holds claims against Purdue Pharma, L.P., et al., were appellees in the court of appeals, and participated in the district court and bankruptcy court, I also participated in the litigation with the United States Judicial Panel on MultiDistrict Litigation lead case MDL No. 2804. While this case was pending in the court of appeals, the States reached a settlement agreement with Purdue Pharma, L.P., certain of its affiliates, and members of the Sacklers family, all of whom are respondents here and were appellants in the court of appeals. See No. 22-110(2d Cir), ECF Nos. 552, 559 (March 11, 2022). Pursuant to that settlement agreement, and subject to the terms and conditions thereof, the States agreed to be consensually bound by the third-party release in the plan of reorganization at issue in the litigation. See No. 19-23649-shl (Bankr. S.D.N.Y.), ECF No. 4410 (March 3, 2023), Ex. B at 31. In addition, under the terms of the settlement agreement, some States agreed that they would not file any brief with or present any argument to the Second Circuit panel hearing; and that, if that appeal was “decided in the Debtor’s favor,” they would not (a) file a party or amicus brief at the petition stage in the Supreme Court of the United States, asking that court to grant certiorari ... or (b) file a party brief at the merits stage in the Supreme Court should the Supreme Court grant certiorari.

In light of those circumstances, some States inform this Court that they take no position on the application for a stay of the mandate pending the filing and disposition of the petition for a writ of certiorari, or any of the issues raised in the application.

I, do not oppose the filing of the United States Trustee application for a writ of certiorari or anyone else’s position concerning the mandate; However, I do question whether the Sackler’s family is totally responsible and liable of the opioid damages; The creditor rely on the Supreme Court of the United States **piercing the** (public and private non-debtors actions that’s responsible for a non-core related opioid death and claims) **corporation veil** of the State of New Jersey, et al., 42 United States Code, § 1981 as it operates through the 5th and 14th Amendment, consistent with 18 U.S.C. § 241 “Black Americans, private and public

official are to be held accountable just like white Americans and under the diversity of citizenship, as well”.

Respectfully submitted

1 MR. HUERNER: Oh, Your Honor. I'm sorry, I
2 misspoke. It is, of course, March 3rd and I apologize for
3 that.

4 THE COURT: Okay. All right. The -- I see two
5 people on the screen. The first is Ronald Bass. He
6 actually filed a document on -- or provided it to the Court
7 on February 9th and then amended it the next day, February
8 10th and I'll focus on that matter. The document originally
9 provided to the Court contained a number of exhibits that
10 had personally identifying information and other information
11 that our Clerk's office was concerned shouldn't be filed on
12 the docket and informed Mr. Bass of that and I believe he
13 revised it in light of that. The September 10th -- I'm
14 sorry, February 10th document is titled, Amended Letter
15 Motion Opposing the Injunction to Stay for Third Parties
16 Non-Debtors Release. I've reviewed this document and I'll
17 note that Mr. Bass is appearing pro se. And I'm going to
18 ask you, Mr. Bass, if you can just tell me what it is that
19 you are seeking here? Because I think I understand it, but
20 it's not entirely clear to me, but I'd like to give you the
21 chance to explain it to me. You're on mute, sir. You're on
22 mute, Mr. Bass.

23 MR. BASS: Can you hear me now?

24 THE COURT: Yeah, now I can, yes.

25 MR. BASS: Okay. My concern is that -- are -- is

1 exempted for what Objector is requesting does it cover the
2 State of New Jersey? I need to know the many actions or
3 claims that I am filing against the State of New Jersey
4 that's similar to the situation with the Purdue Pharma.

5 THE COURT: No. The answer is no.

6 MR. BASS: And that covers (indiscernible) I
7 mentioned in my Motion and paperwork.

8 THE COURT: As I understood it from reviewing the
9 document that you filed, you have raised arguments in other
10 courts.

11 MR. BASS: You're right.

12 THE COURT: Like, in the multi-district litigation
13 in Ohio, in New Jersey itself --

14 MR. BASS: Right.

15 THE COURT: That you were wronged by either the
16 State of New Jersey or courts or officials in New Jersey.

17 MR. BASS: Right.

18 THE COURT: The Preliminary Injunction does not
19 include as a party covered by the Injunction or protected by
20 the Injunction, the State of New Jersey.

21 MR. BASS: Okay, that's the answer that I was
22 looking for.

23 THE COURT: Okay. All right. I thought that was
24 it. I just wanted to make sure and --

25 MR. BASS: Right.

1 THE COURT: -- again, I don't think there's any
2 Order that needs to say that it just -- you know, the actual
3 Injunction doesn't cover it. And I want to be clear, and I
4 think you understand this, by saying that I'm not saying
5 anything about the merits of your claims or anyone's
6 defenses. I'm just saying that this Injunction doesn't
7 preclude you from pursuing them against the State of New
8 Jersey or officials in New Jersey.

9 MR. BASS: Okay. Well, that's what I'm trying to
10 get an understanding of.

11 THE COURT: Okay.

12 MR. BASS: Yeah. That's the thing that was
13 bothering me.

14 THE COURT: Okay. Very well.

15 MR. BASS: All right. Thank you.

16 THE COURT: Okay. And then I see Mr. Pinkusov
17 also on the screen. He sent, I believe, an email to court
18 yesterday stating that he generally opposed -- well, why
19 don't I let you say it, Mr. Pinkusov. There's no reason for
20 me to summarize it.

21 MR. PINKUSOV: Good morning, Your Honor. I'm here
22 purely to see the proceedings and everything that I was
23 going to say is said in my letter and I stand by that.

24 THE COURT: Okay, that's fine. Very well. All
25 right. Does anyone have anything further to say on the

1 Motion to Extend the Preliminary Injunction through March
2 3rd?

3 MR. BASS: Yes, one more thing. Yes, Judge, one
4 more thing. How can I get a copy of that second
5 (indiscernible) conversation that you had with me?

6 THE COURT: I'm sorry? That section of what?

7 MR. BASS: From the conversation that you had with
8 me about my Motion.

9 THE COURT: There'll be a transcript of this
10 hearing that will eventually be filed on the docket. It's
11 probably not going to be that long before it's filed since
12 it's a fairly short hearing. So, you should just check the
13 docket for it.

14 MR. BASS: Oh, okay then. Thanks again.

15 MR. HUEBNER: And Your Honor, we're happy, as a
16 courtesy, to excerpt the relevant provisions of the
17 transcript (indiscernible) to Mr. Bass when they do become
18 available, which may make it easier for him to get it more
19 quickly. So, once it's public and we have it, we will
20 certainly excerpt it and send it on.

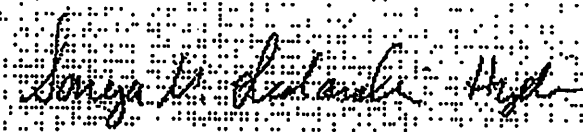

21 THE COURT: Okay.

22 MR. BASS: Thank you. You'll send it
23 (indiscernible)?

24 MR. HUEBNER: Yeah, we'll excerpt the section for
25 you, sir, and send them to you in an email, along with a

C E R T I F I C A T I O N

I, Sonya Ledanski Hyde, certified that the foregoing
transcript is a true and accurate record of the proceedings.

Sr. Ronald Bass
450 Little Place, Apt.53
North Plainfield, NJ 07060

Dear Sr. Ronald Bass,

You recently received a letter from Purdue's Drug Safety and Pharmacovigilance (DSP) team in connection with information in a claim you submitted in the Chapter 11 bankruptcy action pending in the Southern District of New York for Purdue Pharma LP and its affiliates (hereafter, "the Debtors"). We are sending this letter to clarify the reason you were contacted by the Debtors directly.

U.S. Food and Drug Administration (FDA) regulations require the Debtors to review and, where appropriate, submit to FDA adverse drug experience information received from, in this case, individuals like you. Because your claim information alleged an adverse drug experience, the Debtors sent you the prior letter requesting the information to meet FDA's regulatory expectations with respect to follow up. These FDA-related requirements apply to the Debtors as a drug manufacturer, and do not impose any obligations on you to respond.

PLEASE BE AWARE THAT THE LETTER YOU RECEIVED IS NOT PART OF THE BANKRUPTCY PROCEEDING AND WAS SENT SEPARATE AND APART FROM THE CHAPTER 11 CASES. THE BANKRUPTCY PROCESS DOES NOT REQUIRE OR OBLIGATE YOU TO RESPOND TO THE LETTER OR TO PROVIDE ADDITIONAL INFORMATION.

SHOULD YOU ELECT TO PROVIDE ADDITIONAL INFORMATION – OR IF YOU HAVE DONE SO ALREADY -- SUCH INFORMATION SHALL BE USED STRICTLY FOR FDA SAFETY REPORTING PURPOSES. PROVIDING (OR NOT PROVIDING) INFORMATION IN RESPONSE TO THE REQUEST SHALL HAVE NO EFFECT WHATSOEVER ON THE CHAPTER 11 CASES, NOR SHALL IT PREJUDICE YOUR ABILITY TO SUPPLEMENT YOUR CLAIMS AT SOME FUTURE DATE IF OTHERWISE ALLOWED, OR CALLED FOR, IN THE BANKRUPTCY PROCESS.

IF YOU HAVE ANY QUESTIONS ABOUT THIS LETTER, PLEASE CONTACT ARIK PREIS (apreis@akingump.com), AT AKIN GUMP STRAUSS HAUER AND FELD, LLP, COUNSEL TO THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS IN THE CHAPTER 11 CASES, WHICH ACTS AS A FIDUCIARY TO ALL UNSECURED CREDITORS.

Thank you for your time. We regret any confusion caused by our prior letter. Given the unique nature of the bankruptcy proceedings, the Debtors are engaged in discussions with FDA at this time about whether they can discontinue sending follow-up letters like the one you received.

Sincerely,
Drug Safety and Pharmacovigilance
Purdue Pharma L.P.

Dear Client:

A review of prescription drug claims submitted on your behalf indicates either a higher than usual number or dosage of drugs dispensed, or some other problem with your use of drugs.

In an effort to more closely monitor your usage and to protect your health and well-being, we plan to limit you to the use of one pharmacy of your choice. In this way, the pharmacy can better oversee the drugs that you take. If a medical emergency arises and the pharmacy to which you are restricted is unable to serve you, you may obtain up to a 72-hour supply of your drugs at another pharmacy.

To select a pharmacy, please take the enclosed Pharmacy Selection Form and envelope to the pharmacy of your choice. Be sure to sign and date Part A of the form where indicated, and ask your pharmacist to complete part B. If the pharmacy that is your first choice refuses to accept you, please continue to contact other pharmacies until you find one that will.

It is important that this form be filled in and returned in the enclosed envelope no later than [REDACTED]. Failure to choose a pharmacy and to return this completed form by this date will result in a pharmacy being selected for you.

If you have any questions, please call this office at our toll free # 1-877-853-5678 weekdays between the hours of 8:30 a.m. and 4:30 p.m.

During the period of your restriction you have the right to request a change of pharmacy for good cause, by writing to:
